

Incoming Wire Transfer Instructions

PO Box 46
Draper, UT 84020
PH: 801-487-3219
www.firefighterscu.com

Use these instructions when wiring funds into your account at Firefighters Credit Union. All information is required in order to post incoming wired funds to your account.

Receiving Financial Institution (or Beneficiary Financial Institution)

Name: Alloya Corporate FCU
ABA Routing/Transit #: 271987635
Address: 4450 Weaver Parkway
Warrenville, IL 60555

Beneficiary Account (or Further Credit To)

Name: Firefighters Credit Union
Account Number: 324079225
Address: 280 E 12300 S Ste 104
Draper, UT 84020

Final Credit To (or Beneficiary)

Name: (Member's Name)
Account Number: (Member's Account Number)

NOTE: If the member's name and account number are not included in the wire transfer request, funds may not be deposited to the member's account. If the funds are to pay off or be applied to a loan, please include the loan suffix with the Member's Account Number.

Wire Transfers Initiated Internationally

Firefighters Credit Union does not have a SWIFT code. If funds are being received from a source outside the United States, the funds must be sent to a U.S. Branch of a correspondent bank of the originating bank, and from there send the funds using the information contained above.

NOTE: funds transfers from outside the U.S. must be received in U.S. funds (dollars) to be posted to a member's account.
